

Declaration of Intent

Non-Acceptance of Gifts or Gratuities for Official Duties (No Gift Policy)

Fiscal Year B.E. 2567 (2024)

.....

I, Professor Wisit Wisitsora-at, Permanent Secretary of the Ministry of Digital Economy and Society, in my capacity as the Chief Executive Officer of the Ministry of Digital Economy and Society (MDES), hereby declare that MDES is an agency whose supervisors, officials, and personnel will not accept any form of gifts, gratuities, or benefits (**No Gift Policy**) before, during, or after the performance of their duties. Such acceptance could potentially encourage current and future corruption and misconduct, which exceed any legitimate asset or benefit obtainable under the laws, rules, or regulations prescribed by virtue of the provisions of law. However, the acceptance of gifts or benefits conforming to cultural and traditional norms is permissible as stipulated in the Office of the Prime Minister's Regulation on Giving or Receiving Gifts of State Officials B.E. 2565 (2022) and according to directives issued by the National Anti-Corruption Commission. Therefore, I declare my intention to the personnel of the Office of the Permanent Secretary, MDES, and to the public that I will resolutely fulfill my duties according to the organizational missions by adhering to the core values of integrity, honesty, transparency, and accountability, which serve as the bedrock of good governance. In discharging my obligations, I will conduct myself with honor and dignity by refraining from the corrupt pursuit of undue advantages, insisting on upholding righteousness, and staunchly combating all forms of corruption. Lastly, I am determined to fortify the foundations of good governance and foster a culture of integrity within the Office of the Permanent Secretary, MDES, thereby contributing to our nation's interests and the well-being of its people, and promoting national stability, prosperity, and sustainability.

Announced on 5 January B.E. 2567 (2024)

(Professor Wisit Wisitsora-at)

Permanent Secretary

Ministry of Digital Economy and Society
