.....

I, Mr Patchara Anuntasilpa, Permanent Secretary of the Ministry of Digital Economy and Society, in my capacity as the Chief Executive Officer of the Ministry of Digital Economy and Society (MDES), hereby declare that MDES is an agency where all executives, officials, and personnel shall strictly adhere to a No Gift Policy. However, acceptance of gifts in accordance with cultural norms is permissible as stipulated in the Office of the Prime Minister's Regulation on Giving or Receiving Gifts of State Officials B.E. 2565 (2022) and the directives of the National Anti-Corruption Commission. Therefore, I hereby declare my commitment to the personnel of the Office of the Permanent Secretary, MDES, and to the public that I will resolutely fulfil my duties in alignment with the organisation's missions, upholding the core values of integrity, honesty, transparency, and accountability, and by grounding my actions in the principles of good governance. In discharging my obligations, I will conduct myself with honour and dignity, refraining from corruptly seeking undue advantages, insisting on upholding righteousness, and steadfastly combating all forms of corruption. Lastly, I am committed to fortifying the foundations of good governance and instilling the culture of integrity within the Office of the Permanent Secretary, MDES, thereby contributing to our nation's interests and the well-being of its people, and promoting national stability, prosperity, and sustainability.
